

AFCC 2025-26 SPONSOR BENEFITS

AFCC-MN greatly appreciates the support of our sponsors. AFCC-MN is an interdisciplinary and diverse association of professionals dedicated to improving the lives of all children and families through the resolution of family conflict. A sponsorship is a terrific way to have your organization's name associated with AFCC-MN, our conferences, and the scholarships we provide. Sponsorship plays a key role in helping us fund ongoing and innovative learning opportunities, brought to us from local and nationally known professionals leading this field, to help fulfill our mission.

We thank you for your support!
